Supervisor Antonovich made the following statement:

“The County Counsel's Office has issued a legal analysis of Lake County's ordinance pertaining to the sale and storage of pseudoephedrine, which is a substance used to produce methamphetamine in illegal laboratories. County Counsel has concluded that adopting a similar ordinance would be legal, and it is the Sheriff's position that such an ordinance would be helpful in combating methamphetamine use in Los Angeles County.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Molina, unanimously carried, the Board of Supervisors took the following actions:

1. Directed County Counsel to work with the Sheriff to draft an ordinance, similar to Lake County's ordinance, pertaining to the sale and storage of pseudoephedrine to assist the Sheriff in combating methamphetamine use in Los Angeles County; and
2. Directed the Executive Officer of the Board to place the ordinance on the Board's agenda for consideration at the December 19, 2006 meeting.
